

SUN TECK CONCENTRATED TEAK CLEANER

SUN TECK is an alkaline based cleaner especially developed to clean teak decks.

SUN TECK removes slimy marks, oil stains which are harmful to the natural colour of teak.

SUN TECK cleans the teak, preparing it for **BRIGHT TECK**, which must be applied subsequently. Does not affect the caulking.

SUN TECK IS USED AS FOLLOWS :

Must be diluted before use : 1 litre of product for 3 to 5 litres of water. First of all, wet the teak. Then, apply the dilution on the teak, wait 15 minutes and rinse abundantly. Do not rub teak. **BRIGHT TECK**, which is brightener for teak, must be applied subsequently.

Coverage for 1 litre of product : 5 to 7 m².

Elaborated in laboratory and workshop certified ISO 9001 and ISO 14001 Environment
